Hi Sonja,

I appreciate the heads up. We had to continue it already because the defense attorney has been ill, so I'm pretty sure he'll agree to change the date.

Are any of these days good instead?:

May 3, 11 or 31

June 1, 7 or 8

Cary

Hi Cary-

I received your summons for the [REDACTED] case scheduled for trial on May 10th, 2011 and, unfortunately, have to inform you that I may not be available as I have a case in Wareham District Court that day (it has already been continued at least once that I know of). I know that it is still a ways off and that things may change, but I thought I should inform you about it sooner rather than later. I will keep you posted if I hear anything about it. Sorry.

Hi Sonja,

Just wanted to give you a heads up that this case is going to be continued -- the defense attorney has been sick on and off for the past couple of weeks and isn't prepared to go forward tomorrow.
